

2020 AIAA Intelligent Systems Workshop
Organized by AIAA Intelligent Systems Technical Committee
July 28-29, 2020

At
NASA Johnson Space Center, Houston, TX

Call for Abstracts for the Student Talks and Poster Competition
Sponsored by
Aerospace Corporation

During the student sessions at the workshop, students will have the opportunity to present their research in 5-minute lightning talks or via posters. **Research topics should be within the area of aerospace intelligent systems.** This is a great opportunity for students to promote their research, practice their technical presentation skills, and network with peers in academia, industry, and government. Furthermore, students will have chance to win cash awards sponsored by Aerospace Corp.

Lightning Talk

First Place Lightning Talk: \$1000

Second Place Lightning Talk: \$250

Student Poster Session

First Place Student Poster: \$500

If you have any questions about the student session, please feel free to contact Rajnikant Sharma (rajnikant.sharma@uc.edu) or the workshop co-chair Dani Selva (dselva@tamu.edu) .

Here is how to apply

Step 1: Send a title, abstract, and university affiliation to Rajnikant Sharma at rajnikant.sharma@uc.edu by July 15th. The committee will then let you know if your topic is selected for a poster or the talk by July 20.

Step 2: Once you are notified if your topic is selected for a poster or a talk you can send a ppt or pdf to Rajnikant Sharma by July 24th.
